ARA University is Your *GO-TO* Resource for Training and a **FREE BENEFIT** for all ARA Direct Members!

SAVE TIME & MONEY! Professional industry training makes it easier for any business to have a quality, bonafide and competent training program at your fingertips.

CONVENIENT & ACCESSIBLE. ARAU delivers unlimited access to our industry's premier online video training, available 24/7 from computer and mobile devices.

REDUCE WORKPLACE INJURY. ARAU is a cutting-edge Learning Management System that provides industry-specific courses directly related to job functions within an automotive recycling facility. Additional courses provide education on environmental, health, safety and other topics to minimize on-the-job risks and hazards, and train for safety compliance protocols.

TRACK EMPLOYEE PROGRESS. You can add employees to the platform, assign courses, customize, track employee progress, run reports and print certificates to verify training for employees, and more.
