Automotive Recyclers Association Announces New Exclusive Benefit Program with Wells Fargo Insurance Services
"Delivering best value benefits to Member Companies"

Manassas, VA – Today, the Automotive Recyclers Association (ARA) announced a new benefit program with Wells Fargo Insurance Services. Creating affordable, customized insurance solutions for the automotive recycling, dismantling and salvage industry, Wells Fargo Insurance Services will offer a wide range of insurance options through multiple, top tier carriers.

With over 150 offices and 4500 insurance professionals across the country, Well Fargo Insurance Services represent many businesses in the automotive industry. “ARA’s new alliance with Wells Fargo Insurance Services means that automotive recyclers will have the opportunity to save money on their business insurance expenses, from liability to workers’ compensation,” said ARA Executive Vice President Michael E. Wilson. “We’re pleased to provide such a valuable benefit to ARA members, because we know that insurance coverage and expenses are major concerns in these difficult economic times. As Wells Fargo Insurance Services says, “Together we’ll go far” – and now the Wells Fargo Insurance Services team is available to ARA members if they take advantage of the insurance program.” ARA urges you to allow Wells Fargo Insurance Services a few minutes of your time to show you where they can make a difference to you, your business, your staff, and your bottom line.

For more information, call ARA Director of Member Services, Kelly Badillo, at 888-385-1005. If ARA members would like Wells Fargo Insurance Services to contact you directly, please email bill.velin@wellsfargo.com.
