

ARA EDUCATES THE FUTURE

IS YOUR CHILD HEADING TO COLLEGE OR TRADE SCHOOL?

SCHOLARSHIPS ARE AVAILABLE FROM THE ARA SCHOLARSHIP FOUNDATION!

Providing scholarships to the student members of automotive recycling families helps them realize their dreams of higher education. This is a real return on investment for their future – and ours.

The **ARA Scholarship Foundation, Inc.**, a non-profit organization of the Automotive Recyclers Association, promotes higher education through the awarding of scholarships based on scholastic achievement. **The funds are available only to ARA members' employee's children for post-high school educational pursuits.**

Because your employer is a Direct Member of the Automotive Recyclers Association, your child or children are eligible to apply for this educational scholarship benefit. All scholarship awards are based on academic excellence and a written essay.

To receive an application, please contact ARA Director of Member Services Kelly Badillo at (571) 208-0428 or at kelly@ar-a.org. The application deadline is **March 15, 2020**.

HOW CAN STUDENTS APPLY?

Scholarship Application Deadline is March 15, 2020. Contact Kelly Badillo at (571) 208-0428 Ext. 2 or kelly@ar-a.org to receive an application.
