

## Annual Convention Call for Presentations – 2024

### I. Overview

The 2024 ARA Annual Convention Educational Programming Committee is soliciting presentations for the 81<sup>st</sup> Annual Convention and Exposition, which will be held October 23-26, 2024 at Peppermill Resort in Reno, Nevada.

ARA and the Annual Convention Educational Programming Committee aim to develop a strong, comprehensive educational program to appeal to the many aspects of the automotive recycling industry. The Committee strives to construct a rich program addressing the immediate needs of the professional automotive recycling community as well as provide opportunities to discover and discuss upcoming trends, techniques, best practices, and issues.
