AMENDED EMERGENCY ORDER (2020-5) FOR CONTROL OF PANDEMIC

**Required screening and social distancing measures at open businesses and operations subject to the
Governors Executive Order 2020-21**

This Order is made pursuant to Section 2453 of the Public Health Code, being MCL 333.2453.

Matters concerning the public health of the residents of Oakland County have been brought to the attention of the Oakland County Local Health Officer. The Local Health Officer has determined that controls are necessary to reduce transmission of COVID-19 to protect the public's health of Oakland County based on the following facts:

1. A biological agent or the effects of a biological agent have been detected within **Oakland County**
2. A communicable disease **Coronavirus which causes COVID-19** has been identified that can be transmitted from person to person.
3. In order to control and limit the spread of the communicable disease, it is necessary to prevent infected people from coming into contact with uninfected people. It is also critical that essential personnel be protected.

It is hereby ordered that businesses and operations remaining open under EO 2020-21 must take the following precautions:

1. **Develop and implement a daily screening program for all staff.**
 - a. **Screening criteria must include the following questions:**
 - i. **Symptoms including but not limited to the following: fever, cough, shortness of breath, sore throat, diarrhea. When a touchless thermometer is available, a temperature check is strongly recommended in lieu of verbal confirmation of lack of fever.**
 - ii. **Any close contact in the last 14 days with someone with a diagnosis of COVID-19**
 - iii. **Travel internationally or outside of Michigan in the last 14 days**
 - b. A yes to any of the screening questions above requires the individual to be excluded:

- i. for at least 72 hours with no fever (that is three full days of no fever without the use medicine that reduces fevers) AND other symptoms have improved (for example, when your cough or shortness of breath have improved) AND at least 7 days have passed since your symptoms first appeared
 - i. 14 days if close contact of diagnosed case of COVID-19
 - ii. 14 days following travel unless that travel was due to commuting from a home location outside of Michigan. Commuting is defined as traveling a distance between one's home and work on a regular basis.
2. Develop and implement a plan to manage and control social/physical distancing (at least 6 ft spacing) for employees working alongside one another and customers waiting in lines within or outside the business.
3. Limit capacity inside facilities to provide for social distancing of customers and between customers and employees including but not limited to visual markings and signage; entrance limits and specialized hours.
4. Exempt from this order are healthcare organizations with an infection control program in place.
5. Publish this order at entrance of the facility and to the members of the public at large by all reasonable means available.

This Order shall become effective on **March 25, 2020 at Noon** and shall be effective until **April 13, 2020**.
